

Aylestone Business and Enterprise College

Enrichment Activities 2014 - 2015

This booklet highlights the enrichment activities that are being offered at Aylestone.

Many of the activities are available throughout the whole year, but the website is updated regularly, so do have a look to see any changes:

www.aylestone.org.uk

There should be something for everyone and they are run at different times of the day, so no reason not to enjoy trying something new. Remember, some are at lunchtime if you can't stay after school.
